

## SHINE! Worship Playlist – Let Your Light Shine for Jesus

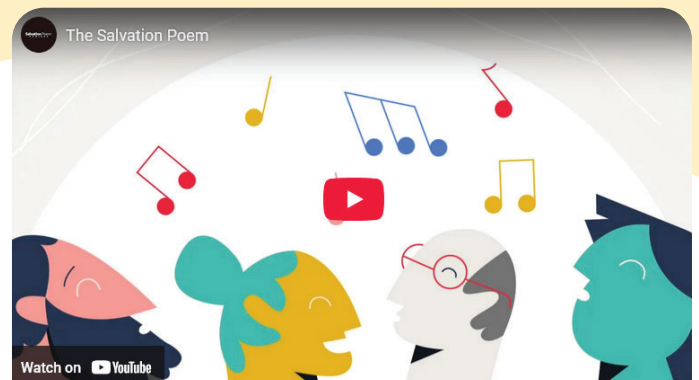

Music is a powerful way to connect our hearts with God's presence—and to help children express their love for Jesus with joy, freedom, and boldness. We've chosen these ten songs to support your SHINE! 24 Hours of Worship and Prayer. Whether you're dancing, singing, reflecting, or praying, let these songs inspire your group to shine brightly for Jesus.

Encourage kids to sing along, move with the music, and use the lyrics as prayers. Most of all, remind them that worship isn't about perfection—it's about giving their whole hearts to Jesus.
