Prayer for Light of the World & Salvation Poem Project

- Ministry Partners are using *Light Of The World* movie in big ways around the globe. Please pray for those encounters to continue to lead to salvations, spiritual growth, hunger for the Word, and for transformations to begin:

- *Mohabat TV* in Iran has been able to play *Light of the World* in Farsi on their TV stations while the Internet has been disabled. We pray that many of the now-slain protesters were able to hear about Jesus before their deaths. May thousands more find the hope of the Gospel in these days of horrific crisis and unrest.
- *OneHope* is using *Light Of The World* for outreach in multiple regions this season and throughout February, into March. Pray for supernatural impact and intervention. There will be an enormous outreach in India and surrounding regions. We're working as fast as we can to get these languages finished. Pray for all of the translations to be available in the exact timing of the Spirit, that every purpose God has ordained for this outreach will be fulfilled, in Jesus' name.
- African TV station testimonies from Christmas showings (more to come at Easter):
 - *Nigeria / PRTVC - Light of the World* is a richly produced animated Christian film that beautifully captures key stories, teachings, and miracles of Jesus Christ during His earthly ministry. Aired on Plateau Radio Television Corporation (PRTVC) during the yuletide season in 2025, the movie served as a timely reminder of the true meaning of Christmas and the enduring message of hope, love, and salvation. It was easy to understand, family friendly and designed to be enjoyed by both adults and children. In just an hour and a half, the movie succeeded in teaching strong Christian truths and morals in an engaging and memorable way.
 - *South Africa / One Gospel - Light of the World* was an amazing addition to our December content, catering to the kids during the special season. The story is narrated in the most relatable way, which makes following the story easy, entertaining and educating.
- The movie will be in theaters in Germany, Austria, and Switzerland in March
