 - OneHope is using *Light Of The World* for outreach in multiple regions this season through Easter. Pray for supernatural impact and intervention. There will be an enormous outreach in India and surrounding regions. Pray for smooth process in order to get these languages finished.
 - Testimonies:
 - My mom [took] the grandkids to see *Light of the World* in theaters. She and my brother cried. My nephew wanted to get the bad guys. But most importantly, it sparked more Biblical conversations and led the three cousins who watched it to make the decision to follow Jesus. At the end of the movie was the ability to sign up to do a daily devotion. I think this was helpful to keep the conversations going...
 - Germany's movie premier was very emotional and moving. The distributor and team are very passionate to spread the Gospel. Please pray for this distribution team and their efforts.
 - Iranian viewers have been able to watch *Light of the World* via *Mohabat TV* while the internet has been disabled.
 - The movie is currently in theaters in Germany, Austria, and Switzerland, and will be in Serbia, Montenegro, Bosnia & Herzegovina, North Macedonia, and Albania in April.
