- Testimonies:
 - Just one neighborhood showing of Light of the World had around 100 people where 60% are Hindus - Kenya
 - "The screening of Light of the World proved to be a powerful evangelistic and discipleship tool. Reaching 416 children across four locations and witnessing 60 salvation decisions highlights the effectiveness of the film in communicating the Gospel to young audiences" - Pastor Monday - Nigeria
 - About 50 prisoners just watched Light of the World. The movie is so powerful! They were clapping throughout, with many crying and asking how to show it to their kids at home. - U.S.
 - "There were many lives touched by the movie, especially among the guests from the neighborhood. Some of the children from our church even helped hand out tissues, as several people were moved to tears by the message. While it wasn't verbally expressed whether the gospel message was fully received, there was a clear sense that a seed had been planted." - U.S.
- The movie is currently in theaters in Germany, Austria, Switzerland, Serbia, Montenegro, Bosnia & Herzegovina, North Macedonia, and Albania.
