Prayer Guide for the Next Generation of the Chinese Church

1. Pray for children and young people in China to encounter and follow Jesus despite government restrictions that often prevent minors from attending church or meeting other believers. Ask that these limitations will not hinder their spiritual growth.

"Nothing can separate us from the love of God that is in Christ Jesus our Lord." - Romans 8:39

2. Pray for the formation of godly values among youth, who face powerful distractions such as materialism, social media, and gaming.

"Do not conform to the pattern of this world, but be transformed by the renewing of your mind." - Romans 12:2

3. Lift up church and ministry workers serving this generation, who risk persecution, interrogation, or imprisonment. Pray for creativity, wisdom, and protection as they develop engaging, faith-rooting programs.

"The Lord is my light and my salvation—whom shall I fear?" — Psalm 27:1

4. With nearly 300 million children under 15, the younger generation faces pressures of modernization - rising crime, moral decline, and secular values.

Pray that among China's 300 million children, many will encounter Jesus personally - through families, friendships, and divine revelation - and stand firm in faith amid the rising tide of secular pressures.

"Let the children come to me; do not hinder them, for to such belongs the kingdom of God." - Mark 10:14

5. Pray also for God's favor on Child Evangelism Fellowship (CEF) as they will be sharing the **Light of the World** Movie with many of the 14-million children they plan to reach during their Christmas Party Clubs over the holidays. CEF is active in more than 200 nations and has over 30 million children already in their CEF clubs.

> Pray that many children and their families will be reached through the movie.

> Pray also that the CEF children will share the movie to reach other children and family members.

"You are the light of the world. A town built on a hill cannot be hidden. Matthew 5:14"

6. Overall, pray that the next generation of Chinese believers will grow strong in faith, truth, and godly character, becoming the future strength of the Chinese Church.

"Then you will shine among them like stars in the sky as you hold firmly to the word of life." - Philippians 2:15
